

Disability Insurance

from Allstate Benefits

Benefits are paid directly to you

Provides a monthly benefit if you are disabled and cannot work

1 CHOOSE

You select coverage, which can help protect your income if faced with a disability

2 USE

You're in an accident and suffer a disabling injury. You are unable to work and your paycheck stops

3 CLAIM

You file a claim online to begin receiving cash benefits each month you are disabled

Like most, unless you know someone who has been disabled, you may not see the value of Disability Insurance. You may think it won't happen to you, but if it does, you are vulnerable to lost income.

57 percent of working Americans have no disability insurance and are therefore vulnerable to losing their income due to an illness or injury¹

An injury or sickness may slow you down, but it won't slow down your monthly bills. Expenses such as house and car payments, or even daily expenses such as groceries and gas, will still need to be paid. Disability insurance can help replace your lost income and help ensure your finances are not depleted.

Here's How It Works

You choose the maximum monthly benefit level that meets your needs. Then, if you are faced with a period of unexpected sickness or off-the-job injury, you will receive cash benefits to use as you see fit. This could include medical treatments, daily living expenses and more.

With Allstate Benefits, you gain the power to make treatment decisions without putting your finances at risk.

Are you in Good Hands? You can be.

Key Features

- You choose the monthly maximum benefit level that meets your needs
- Premiums are affordable and conveniently payroll deducted
