## WHAT TO EXPECT

Once you complete the authentication process, you will have access to various reports included with your subscription. You will receive an email when your reports are available, then you can log into your account and view your alerts, reports and any activity regarding your personal identity information. As a reminder, we will not email you any personal information nor will we request any personal information via email. We will only send you emails when there is new information pertaining to your account.

Protecting your identity is our number one priority. If you have any questions, please contact iLOCK360 Member Services at 855.287.8888.
