

Accidents happen

Fortunately, we can help with unexpected expenses

Guardian Accident Insurance helps offset the cost associated with both minor and major accidents:

- For every covered accident, Guardian can pay a benefit based on the injury you sustain and the various treatments and/or services received, regardless of what is covered by medical insurance.
- **Special Feature:** Guardian Accident Insurance will increase covered benefits by 20% for a child who has an accident while playing organized sports.*

See next page for a schedule of paid benefits and monthly rates.

A benefit when you need it

Consider some of the unexpected costs that may result from an accident such as travel to treatment centers, child care while recovering, household expenses while you can't work, or even modifications to a home or automobile. Payments are made directly to the employee and can be used for any purpose — even everyday expenses like groceries, rent and mortgage.
