

# Mastercard ID Theft Protection™

## Introducing FREE theft protection services

You can now take advantage of identity theft protection services for your First Financial Group of America Benefits Card at no extra cost.

Mastercard® has partnered with CSID®, an industry leader in identity protection and fraud detection, to help keep your information safe.

### How does it work?

Mastercard provides its U.S. cardholders with services — at no extra cost — to help detect and resolve identity theft. Simply register your First Financial Group of America Benefits Card and get immediate access to the following:

#### 1. ID Theft Alerts

ID Theft Alerts scours the Internet and alerts you if it detects that your personal information is being bought or sold online.

#### 2. Emergency Wallet Replacement

If your wallet plus all of your cards and documents are lost or stolen, experts are available to help you get replacements right away.

#### 3. Expert Resolution Services

Should you become the victim of identity theft, experts guide you through what can be an overwhelming process, from filing an affidavit and canceling accounts to notifying the major credit reporting agencies.

### How do I sign up for this free service?
