

A Humana Hospital Indemnity plan Pays you a benefit when you need it most

You work hard to provide for your family. So, when an unexpected bout of pneumonia lands you in the hospital for five days, your first concern is how this would affect your family's finances. But with Humana's hospital indemnity coverage, your family's budget is protected. Hospital indemnity coverage is a benefit paid directly to you to help with the unexpected — deductibles, copayments and other out-of-pocket costs.

Here's how it works

You

- Or a member of your family are admitted to the hospital
- File a claim for your hospital indemnity benefit
- Receive a check for the covered amount to be used however you want

The plan

- Pays a base benefit of \$200 per day to you or whomever you designate
- Can cover you, your spouse and your children
- Can be used to pay for unexpected expenses like your medical deductible, rehabilitation expenses or day-to-day living expenses
- Offers additional coverage for -

First Hospital Admission Benefit - \$1,500

If a covered person is confined as an inpatient in a hospital for the first time during a calendar year, pays a one time lump sum per year. Hospital confinement must be for at least 18 hours as an inpatient.

Office Visit Benefit - \$50

Benefit pays when a covered person is seen by a Doctor for an Office Visit for followup treatment after being confined as an inpatient in a Hospital. A covered visit is not an Emergency Room visit. Max 5 per year

A Humana Hospital Indemnity plan can help with unexpected costs associated with a hospital stay
